Directors' Report

In respect of the financial year ended 30 June 2009, the directors of Plan International Australia (hereinafter referred to as Plan or the Company) submit the following report:

1. Directors of the Company Currently in Office

The following persons were directors of Plan during the whole financial year and up to the date of this report:

K Anne Skipper AM (*Chair*)

Margaret J Winn (*Deputy Chair*)

Suzanne E Bell

Tim D A Beresford

Emily J Booker

Philip L Endersbee

Russell Gordon

Claire E Hatton

Jeremy D M Ingall

Thomas J S Kane

Wendy E McCarthy AO

Neil R Thompson

2. Principal Activities

The principal activities of Plan during the year were raising funds for Plan International Inc. (hereinafter referred to as Plan International) for overseas development programs in developing countries, management and participation in these program activities, especially those funded by the Australian Government.

3. Income Tax

The Company is endorsed by the Australian Taxation Office as an Income Tax Exempt Charity (ITEC) and is therefore exempt from paying income tax.

4. Dividends

In accordance with the Memorandum of Association, no dividends are permitted.

5. Review of Operations

Overview:

The environment for public fundraising was extremely challenging in FY2009 with both the Global Financial Crisis and the Victorian bushfires impacting giving across the nation. Whilst these events certainly affected some specific lines of income at Plan, overall revenue still improved significantly. Total organisational revenue in fact increased by 20% to \$39.3M (FY2008 \$32.8M). Total expenditure of \$8.7M reflected an increase of 18% (FY2008 \$7.4M) which was mainly in the key areas of program delivery and sponsorship acquisition. It was particularly pleasing that commitments to overseas projects and the staff team that delivers this work could be maintained in such complex times.

Revenue:

Total revenue increased significantly despite the economic circumstances during the year. Sponsorship revenue of \$19.3M was \$1.0M higher than last year (FY2008 \$18.3M) due primarily to deeper giving from the existing donor group. Total grant income of \$18.0M reflects an increase of 50% on last year (FY2008 \$12.0M) mainly driven by higher Australian Government grants (\$4.5M) and a World Food Programme (\$13.3M) project. In FY2009 Plan continued its commitment to the Vulnerable Feeding Programme in the Chiredzi District of Zimbabwe where a total of 9,147 tonnes of food was distributed to 206,646 people (including 122,274 children).

Expenditure:

FY2009 was a pivotal year for the organisation as it embarked on a strategy to utilise the past strong growth to build capacity for potentially higher future grant income from the Australian Government. A strong focus was placed on maintaining and growing our sponsorship base despite the pressures of the global financial crisis. Total expenditure of \$8.7M was therefore 18% higher than last year (FY2008 \$7.4M). Fundraising expenditure of \$5.0M was up by 18%, mainly due to sponsorship acquisitions. Higher Administration costs of \$1.7M (FY2008 \$1.5M) reflected an important investment in key positions in the Program and Finance & Administration departments. Additional factors for higher total expenditure were higher program delivery activity and increased Community Education expenditure.

Funds remitted:

Plan maintained its commitment to overseas projects and development with total funds remitted of \$19.7M. This was an increase of \$0.8M on last year (FY2008 \$18.9M) and a strong result in consideration of the economic crisis and increased investment in organisational capacity for the year. The remittance includes an amount of \$1.9M received in cash as part of the World Food Programme and fully remitted to meet the operational costs of the program in Zimbabwe.

6. Significant Changes in the State of Affairs during the Financial Year

The directors are not aware of any significant changes in the state of affairs of the Company.

7. Events Subsequent to Balance Date

The directors are not aware of any matter or circumstances not otherwise dealt with in this report that has significantly or may significantly affect the operations of the Company, the result of those operations or the state of affairs of the company in subsequent financial years.

8. Likely Developments

In the opinion of the directors, there are no likely developments which would have a significant effect on the Company's operations or results.

9. Directors' Benefits

The directors receive no remuneration for their services as directors of the Company.

10. Directors' Interests in Contracts

Since the date of the last Directors' Report, no director has declared, pursuant to Section 231 of the Corporations Act 2001, an interest in any contract by virtue of their directorships or memberships of other entities except as reported in *Note 15. Related Party Transactions*.

11. Remuneration Report

Plan's remuneration policy sets salaries at the lower end of what might be earned in the general market for equivalent positions. This balances the humanitarian and not-for-profit status of the organisation against the need to attract and retain quality staff from the market. Salary ranges for each grade of position are therefore set around the 20 decile point of the market. That is, 80% of the market is above the Plan remuneration level and 20% of the market is below the Plan remuneration level. Plan remuneration is benchmarked against the general market every 2 years. In line with this policy the Chief Executive Officer is paid a salary of \$135,988 plus benefits of \$16,050.

Corporate Governance Statement

Board of Directors and its Committees

The Board is responsible for the overall Corporate Governance of the Company including its strategic direction, establishing goals for management and monitoring the achievement of these goals. The Board has also established a framework for the management of the Company including a system of internal controls and the establishment of appropriate ethical standards.

Composition of the Board

The names of the Directors of the company in office at the date of this statement are set out in the Directors' Report on page 4 of this Annual Report.

Ethical Standards

The Board sets out the standards in accordance with which each Director, manager and employee of the Company are expected to act. The requirement to comply with these ethical standards is communicated to all employees.

All Directors, managers and employees are expected to act with the utmost integrity and objectivity, striving at all times to enhance the reputation and performance of the Company.

Role of the Corporate Governance Committee

- Review the board and management policies.
- Monitor the people and performance of board, directors and Chief Executive Officer by annual assessment.
- Ensure a succession plan is in place for the Board, Chair, International Board positions and Board Sub-Committees to ensure there is a sufficient mix of skills, expertise and calibre of directors with the time commitments to adequately fulfil these roles.

Role of the Finance and Audit Committee

The Finance and Audit Committee meets prior to Board meetings.

The responsibilities of the Finance and Audit Committee include, but are not restricted to:

- (a) reviewing financial information and statements;
- (b) liaising with the external auditors to ensure that the statutory audits are conducted in an efficient and cost effective manner;
- (c) reviewing external audit reports to ensure that prompt remedial action is taken by management to rectify major deficiencies or breakdowns in controls or procedures which have been identified;
- (d) monitoring procedures to ensure compliance with statutory requirements;
- (e) monitoring procedures to ensure that company assets are protected from defalcation, fraud, theft and other forms of diminution;
- (f) review accounting procedures and controls on a regular basis to ensure their integrity and accuracy;
- (g) utilise a risk assessment framework with a particular focus on child protection across Plan to review and make recommendations as to the organisation's risk assessment practices and procedures and risk management systems in respect to all aspects of its operations.

The committee reviews the monthly financial statements, annual budget, business strategy and the annual report and makes recommendations to the Board for their acceptance or otherwise.

Corporate Governance Statement (continued)

Role of the Program Advisory Committee

- (a) Consider the implications of Child Centred Community Development (CCCD) for Plan, encompassing the international program, governance, advocacy, development education and communication with sponsors/donors and increasing the scope for the participation of children and youth in organisational structures, communications and decision-making.
- (b) Develop a framework and undertake an annual review of Plan's international program in relation to CCCD.
- (c) Adopt and review Plan's international program strategy (including geographical and sectoral focus). It is expected that the annual review will include a consideration of the program strategy's continuing relevance, with major reviews of the strategy undertaken on a three to five year basis.
- (d) Review Plan's policies, procedures and systems in relation to delivering program effectiveness that also contributes to meeting criteria and standards for AusAID accreditation as a program agency.
- (e) Advise in relation to significant project proposals for submission to AusAID, other institutional donors and projects funded by the Australian public.

Role of the Fundraising Committee

- (a) To monitor that adequate funds are raised to ensure the organisation is able to conduct and implement its business.
- (b) To provide guidance and assistance to the Plan staff on fundraising opportunities by way of introductions to key contacts and corporate donors.
- (c) To review and monitor methods of fundraising, including regular giving, child sponsorship, corporate donors, work-place giving, capital funds, endowments and events.
- (d) Overview the costs of fundraising and expenditure associated with marketing and promotions.

Internal Control Framework

The Board acknowledges that it is responsible for the overall internal control framework, but recognises that no cost effective internal control system will preclude all errors and irregularities.

The Role of Stakeholders

The Board of Directors aims to ensure that the stakeholders are informed of all major developments affecting the Company's state of affairs. Information is communicated to stakeholders as follows:

- the Annual Report is distributed to all stakeholders (unless a stakeholder has specifically requested not to receive the document). The Board ensures that the Annual Report includes relevant information about the operations of the Company and details of future developments, in addition to other disclosures required under the Corporations Act 2001.

The Board encourages full participation of stakeholders at the Annual General Meeting to ensure a high level of accountability and identification with the Company's strategy and goals.

Notes to the financial statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Company Limited by Guarantee

Plan is a Company limited by guarantee, having no share capital. The Company was incorporated on 16 April 1971.

Each Member of the Company undertakes to contribute to the Company's property if the Company is wound up while he, she or it is a member or within one year after he, she or it ceases to be a member, for payment of the Company's debts and liabilities contracted before he, she or it ceased to be a member and of the costs, charges and expenses of winding up and for an adjustment of the rights of contributors among themselves such amount as may be required not exceeding twenty dollars (\$20.00).

A. Organisation and purpose

The Plan International group (hereinafter referred to as Plan International) is an international, humanitarian, child focused development organisation, without religious, political or governmental affiliation.

Plan's prime purpose is to provide sustainable community development programs for the alleviation of poverty and the advancement of the education, health, habitat and livelihood of needy children, their families and communities in developing countries or where such programs may be needed because of war, disaster or other major social disturbances. Plan is an independent non-sectarian, not-for-profit Company limited by guarantee. Plan's purpose in Australia is to raise awareness and funds for sustainable community development programs in the developing world as well as manage and participate in Plan's program activities, especially those funded by the Australian Government. Plan also works to build understanding and relationships between the children, their families and communities in the developing world, and sponsors and donors in Australia who provide ongoing financial support.

Plan is an autonomous member of the Plan International worldwide group, made up of a number of similar legal entities. These separate national supporting entities are located in Australia, Belgium, Canada, Denmark, Finland, France, Germany, Ireland, Japan, Republic of Korea, Netherlands, Norway, Spain, Sweden, Switzerland, United Kingdom, and United States of America. The members jointly subscribe to an agreement that establishes Plan International as the service arm of the worldwide group. Plan's achievements are made possible by pooled resources across the Plan world.

B. Basis of preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board (AASB), and the *Corporations Act 2001*.

Compliance with IFRS

Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial statements and notes comply with International Financial Reporting Standards (IFRS).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of preparation (continued)

Historical cost convention

These financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of financial statements in conformity with AIFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. There are no areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements.

New accounting standards and interpretations

Management assessment indicates that there are no new Australian Accounting Standards or interpretations that have been issued but are not yet effective with an expected material impact on the company's financial report in the period of initial application.

C. Foreign currency translation

Foreign currency transactions are translated into Australian dollars using the exchange rates prevailing at the date of the transaction. Foreign currency receivables and payables at balance date are translated at exchange rates at balance date.

D. Revenue recognition

Revenue is recognised for the major business activities as follows:

Donation and Grant Income

Revenues relating to donations are recognised upon receipt of the funds. Revenues relating to grant income are recognised when they are received.

World Food Program emergency food distribution revenue is recognised in the Income Statement upon receipt of official documentation from the World Food Program and converted to Australian dollars based upon the average monthly exchange rate of the month when food distribution took place. Original documentation is stated in United States dollars.

Interest Received

Funds are regularly transmitted to Plan International in accordance with a predetermined schedule of funding requirements. However, if any funds transmitted to Plan International are in excess of current disbursement needs, these are invested by Plan International. Interest income earned on these investments is then allocated back to the respective national organisations in accordance with an established formula, which is based primarily on the ratio that each national organisation's contribution bears to the total contribution from all national organisations. Interest is recognised on an accrual basis.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Revenue recognition (continued)

Donations of Goods and Services

Resources received in the form of intangible income such as donated facilities, voluntary help or beneficial loan arrangements, the value of which cannot be accurately quantified, are not included in the financial statements. Donated services, such as community-service radio, television announcements and press advertisements, the value of which cannot be accurately quantified, are not included in the financial statements.

Nevertheless, the Directors recognise and appreciate the inestimable value to Plan of the resources received and services voluntarily given by corporations, groups and individuals.

E. Income tax

Plan is exempt from the payment of income tax under Subdivision 50-B of the Income Tax Assessment Act 1997.

F. Leases

There were no finance leases in operation during the year. Other leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases (note 14). Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement over the period of the lease.

G. Impairment of assets

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

H. Cash and cash equivalents

For cash flow statement presentation purposes, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

I. Trade receivables

Trade receivables are recognised at fair value and are due for settlement no more than 30 days from the date of recognition. Collectibility of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

J. Investments

Plan's investments are classified as held-to-maturity investments which are non-derivative financial assets with fixed or determinable payments and fixed maturities that management has the positive intention and ability to hold to maturity.

Investments are initially recognised at fair value. Interest income is presented in the income statement within investment income in the period in which it arises. The Directors assess at each balance date whether there is objective evidence that a financial asset or group of financial assets is impaired.

K. Property, plant and equipment

Property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation on assets is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives, as follows:

Plant & equipment	3 - 10 years
Computer equipment	3 years
Leasehold improvements	5 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount (note 1(G)).

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the income statement.

L. Intangible assets

IT development and software

Costs incurred in developing products or systems and costs incurred in acquiring software and licenses that will contribute to future period financial benefits through revenue generation and/or cost reduction are capitalised to software and systems. Costs capitalised include directly attributable labour costs. Amortisation is calculated on a straight line basis over a period of 3 years.

IT development costs include only those costs directly attributable to the development phase and are only recognised following completion of technical feasibility and where the company has an intention and ability to use the asset.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

M. Trade and other payables

These amounts represent liabilities for goods and services provided to the organisation prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

N. Employee benefits

(i) Wages, salaries and annual leave

Liabilities for wages, salaries and annual leave expected to be settled within 12 months of the reporting date are recognised in Current Liabilities - Provisions in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Long service leave

The liability for long service leave expected to be settled within 12 months of the reporting date is recognised and measured in accordance with the above note in respect to annual leave.

The liability for long service leave expected to be settled more than 12 months from the reporting date is recognised in Non-Current Liabilities - Provisions and is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

(iii) Superannuation

Contributions to employee superannuation plans are recognised as an expense as they become payable. Superannuation contributions by the Company comply with the Superannuation Guarantee rate of 9% with some employees contributing additional payments.

O. Reserves and retained surpluses

Refer to *Note 12. Reserves and Retained Surplus* for accounting policies in respect of these items.

P. Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flow.

12. RESERVES AND RETAINED SURPLUS (continued)

(c) Nature and purpose of reserves

(i) Memorial fund

The memorial fund reserve represents the principal of contributions held in accordance with the wishes of the donor, to remain in perpetuity in Australia for use by Plan Australia.

(ii) General fund

Amounts expended on the acquisition of property, plant and equipment are appropriated from the revenue and expenditure account to the general fund during the year of acquisition, or at the time the asset is held ready for use. As the property, plant and equipment are utilised in the operations of Plan Australia, the depreciation charge is included as an operating expense and an equivalent amount is released from the general fund. On the disposal of property, plant and equipment, the gain/loss is included as part of the operating expense and the book value is released from the general fund.

(iii) Capital Reserve

The reserve represents the surplus over the book value of a property donated to Plan Australia and transferred by resolution of the Board to reserves, to be held in reserves and utilised in the event of a major publicity campaign or such other event deemed appropriate by resolution of the board of directors.

Amounts are transferred to Plan International for program and services expenditures.

The directors are not paid any remuneration for their services as directors of the Plan International Board or as members of the Plan International Members Assembly.

Interest is received from Plan International on remitted funds.

16. MEMBERS GUARANTEE

The Company is limited by guarantee. If the Company is wound up, the articles of association states that each member is required to contribute a maximum of \$20 each towards meeting any outstanding obligations of the Company. There were 65 members as at 30 June 2009.

17. EVENTS OCCURRING AFTER THE BALANCE SHEET DATE

The directors are not aware of any matter or circumstance not otherwise dealt with in the Directors' Report of the financial statements that has, or may, significantly affect the operations of Plan Australia, the results of those operations or the state of affairs of the company in subsequent financial years.

19. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks: market risk (interest rate risk), credit risk and liquidity risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company.

Risk management is carried out on a day to day basis by the Company's management under guidance from the Board of Directors.

The Company holds the following financial instruments

	2009	2008
	\$	\$
Financial assets		
Cash and cash equivalents	2,094,851	2,133,943
Trade and other receivables	217,224	195,943

Financial liabilities		
Trade and other payables	<u>1,005,450</u>	<u>1,114,218</u>

(a) Market risk

The company has significant held-to-maturity type investments. These investments are considered to be liquid in nature. Refer to Note 2 for the investment income from these held-to-maturity type investments. As a result of these investments the operating cash flows of the company are exposed, although not materially to changes in the market interest rates. The investments are held to their maturity in one year or less and carry fixed interest rates of between 3.48% and 6.60% (2008: 6.78% and 8.10%).

The company has no significant interest bearing liabilities.

(b) Credit risk

The company has no significant concentrations of credit risk. At year end the company does not have any significant amounts that are receivable from external parties.

(c) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and liquid investments and the availability of funding through an adequate amount of committed credit facilities. The company aims to maintain flexibility in funding by keeping adequate cash resources, liquid investments and credit lines available.

In the Directors' opinion:

- (a) the financial statements and notes set out on pages 15 to 32 are in accordance with the Corporations Act 2001, including:
 - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Company's financial position as at 30 June 2009 and of its performance, as represented by the results of its operations, changes in equity and its cash flows, for the financial year ended on that date; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Independent auditor's report to the members of Plan International Australia

Report on the financial report

We have audited the accompanying financial report of Plan International Australia (the Company), which comprises the balance sheet as at 30 June 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the financial report

The directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1B, the directors also state, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Our procedures include reading the other information in the Annual Report to determine whether it contains any material inconsistencies with the financial report.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

**Independent auditor's report to the members of Plan International Australia
(continued)**

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion:

- (a) the financial report of Plan International Australia is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Company's financial position as at 30 June 2008 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001; and
- (b) the financial report also complies with International Financial Reporting Standards as disclosed in Note 1B.

Independent audit report in accordance with Section 24 of the Charitable Fundraising Act 1991 (the Act)

Scope

The financial report and directors' responsibility

The preparation of the financial report, comprising the income statement, balance sheet, statement of changes in equity, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for the Company, for the year ended 30 June 2009 and the preparation of the information and declarations made under the Charitable Fundraising Act 1991 for the year ended 30 June 2009 are the responsibility of the directors of the Company.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected. For further explanation of an audit, visit our website <http://www.pwc.com/au/financialstatementaudit>.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Charitable Fundraising Act 1991, Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Company's financial position, and its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- * examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- * assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

Our procedures include reading the other information in the Annual Report to determine whether it contains any material inconsistencies with the financial report.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

**Independent audit report in accordance with
Section 24 of the Charitable Fundraising Act 1991 (the Act) (continued)**

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

Audit opinion

In our opinion, the information and declarations made by Plan International Australia (the Organisation/ Company), under the Charitable Fundraising Act 1991 for the year ended 30 June 2009:

- (a) presents a true and fair view of all income and expenditure and the financial result with respect to fundraising appeals;
- (b) presents a statement of financial position that gives a true and fair view of the state of affairs with respect to fundraising appeals conducted by the Organisation;
- (c) complies with the provisions of the Act, the regulations under that Act and the conditions attached to the authority by the Organisation; and

In addition, we also note, in accordance with our obligations under the Act, that in our opinion:

- the accounts and associated records have been properly kept during the year;
- the internal controls exercised by the Organisation are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals;
- the money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations;
- The Company is solvent and there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable; and
- there have been no contraventions of the Act;

This opinion must be read in conjunction with rest of our audit report.

**Independent audit report to the members of
Plan International Australia**

Report on the financial report

We have audited the accompanying summarised financial report of Plan International Australia, comprising the summary balance sheet as at 30 June 2009, the summary income statement and statement of changes in equity, the statement of cash movements for designated purposes, for the year then ended, which was derived from the financial report of Plan International Australia for the year ended 30 June 2009. We expressed an unmodified auditor's opinion on that financial report in our auditor's report dated 24 September 2009.

The responsibility of the Directors for the summarised financial report

The Directors are responsible for the preparation and presentation of the summarised financial report in accordance with the accounting policies described in Note 1 to the financial statements.

Auditor's responsibility

Our responsibility is to express an opinion on the summarised financial report based on our procedures, which were conducted in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements.

Auditor's opinion

In our opinion, the information reported in the summarised financial report is consistent, in all material respects, with the financial report from which it was derived. For a better understanding of the scope of our audit, this auditor's report should be read in conjunction with our audit report on the financial report.
