

HELP CREATE A JUST WORLD FOR ALL CHILDREN AND EQUALITY FOR GIRLS

Your donation will go towards creating a world where all children can realise their full potential.

\$30

GIVE A GIRL A LEGAL IDENTITY

Millions of girls grow up without formal recognition of their existence. By helping provide a girl's birth certificate, you're protecting her from early marriage, exploitation and trafficking, and securing a future where she can vote, work and claim her rights.

\$55

EMERGENCY HYGIENE KIT

In a disaster, waterborne diseases usually kill more people than the disaster itself. This life-saving kit contains soap, toothbrushes, shampoo and toilet paper – the hygiene essentials for children and families who've survived a disaster.

\$115

PROVIDE TRAINING AND SUPPORT FOR A WOMAN TO RUN HER OWN CROP FARM

By supporting women with the tools they need to forge their own paths, you're helping create more than just income. You're helping build a working farm that will sustain them and their families well into the future.
